## MILL MUD BAGGING DAY THIS SUNDAY!

Bagging day is **Sunday 31<sup>st</sup> of August**. Put this date on your calendar so you can "dig in" to help raise money to enlarge and upgrade your children's much loved canteen.

This is our major fundraiser for the year so we need all the help we can get.

**Bring your spade, boots, gloves and sun safe gear.**

We will thank you for your efforts with a sausage sizzle and some refreshments.

**REMEMBER!** 'many hands make light work'.

The response to the mill mud drive has been outstanding and we now have a waiting list of eager customers.

# BOOK FAIR and SCIENCE DAY

What a great day was had by all last Wednesday for the Book Fair and Science Day.

There were some very weird and wonderful outfits on display. This was a fun and very educational day with all the children divided into groups to conduct scientific experiments. They also

came to the school library where Mrs Davidson had the children mesmerised with patterns creating optical illusions.

Thanks to all the parents who helped their children with dressing up for the day and purchasing books from the Book Fair. Special thanks to Zane and Dan Goyma, Bai-

ley and Riley Anderson, Alyssa McGrath, William Farlow and Molly McLeod who donated books to the school library.

Thanks to Mrs Hollis who came along and brought equipment from the Maclean Science Department to demonstrate how power travels using circuits.

*All the children had a great time at the Science stations*
