NEWSLETTER NO. 3

10TH FEBRUARY 2015

It is always an enjoyable time at the P&C meetings, where parents come together to make the school the best place it can be for the students. The current committee will be leaving their positions on February 23rd, making way for a whole new P&C committee. It is a great opportunity to do something great for your children and spend some time with friends. If childcare is an issue, there will be child minding available for the AGM. At most meetings there's a small group of children who play together while the meeting is held.
